Nobles:

The May 1936 Ceremonial in Medinah Temple is dedicated to her Pre-requisite Bodies—the Commanderies of Knights Templar and the Ancient Accepted Scottish Rite.

The relationship which we as Shriners bear to these Pre-requisite Bodies is of great importance in that we unite in a common purpose for the furtherance of inspiration to keep us actively occupied in deeds of charity and pure beneficence and also in developing the social instincts of our members.

Our guests for the evening will be from among the leading and outstanding Officers of these Institutions which in their various degrees add new incentive to live the Masonic life, and also the Officers from a number of our nearby sister Shrine Temples.

You can help us do honor to these splendid Nobles by adding your enthusiastic presence, and may I say further, I urge you to come and with the hope you'll bring a brother Noble with you.

Yours in the Faith,

Carl A. Miller

The Shrine is a cure for care, and an antidote to worry. It includes companionship with friends, social intercourse, opportunities for courtesy, kindliness and generosity. It promotes friendships, is a test of temper, a trial of honor, and a revealer of character.

The Shrine in its noble purposes brings together the members of two higher orders of Masonry. Here men meet from both rites on a common level or playground; but it is not merely a playground.

Its teachings carry a dignified mien that lifts a man above the sordid, transitory things of life. It gives him a glimpse of the great white light of life. A Shrine pin and fez does not necessarily make or mean a Shriner; it merely indicates that he is or should be. No rough or uncouth act has a place on its program. Every man who assumes the obligation of the Mystic Shrine is taught to revere and protect the peace, purity and hallowedness of society, government, home and fireside, strengthening the bulwarks thereof, rather than weakening their defense and subjecting them to adverse criticism by his acts.

Does the Shriner prize his fez? If he values it as value it he should, he will never take it where he would not take his mother. If the Shriner feels honored in the title of Noble, let him show it by continuing in the same paths as he trod as a Mason. Every time a Shriner strays from the path, a Mason strays. Every time a Shriner brings reproach upon his fez-covered head, he spots his apron. Nobles, keep the red of your fez clean and without stain and thereby keep pure white your lambskin.

Imperial Council Session

A. A. O. N. M. S.

TO THE NOBLES OF MEDINAH TEMPLE:

It has been customary for years for Medinah Temple to attend the Imperial Council Sessions with all of her organized units and a goodly number of the Nobles and ladies of Medinah. These affairs have, in all instances, been most enjoyable and beneficial to the Temple. It is proposed to make up a Caravan this year to attend the Session at Seattle, Washington, in July; we sincerely hope that this objective will be met, and there will be many of our Nobles, who with members of their families, will enjoy taking this trip with us—they always have—making a splendid vacation trip. This letter is directed particularly to the members of the Nobility so that they will know the time and the itinerary that is proposed, and I would particularly like to hear at an early date from any who are interested, as this will help in facilitating the making of the plans for the trip.

Yours in the faith,

In Memoriam

Arthur W. Jones

Born Oct. 6th, 1884 Died April 27th, 1936

Our Illustrious Noble Arthur W. Jones, Past Potentate, passed away in Oak Park, Illinois, on April 27th, 1936.

We are overcome with grief and yet we are comforted with the precious heritage he has left.

"Artie" Jones loved the Shrine; he possessed its genial spirit and loved its good comradeship. He was simple in his taste, unassuming in manner, and modest in his demeanor. He had a high sense of duty and was supremely kind in character. He was devoted to his family, to his work, loyal to his friends; and faithful to his Maker. He was always ready to praise the efforts of his fellow man. He measured up to the very best we thought of him, and we thought well of him, indeed. We miss his friendly hand clasp and his kindly smile, but find solace in the memories of his life.

He was a member of Fair Oaks AF & AM, having dimitted from William B. McKinley, where he was raised a Master Mason; York Chapter, R.A.M.; St. Bernard Commandery; Scottish Rite Bodies, Valley of Chicago; and Oak Park Chapter, Eastern Star.

Illustrious Noble Arthur W. Jones received the degrees in Medinah Temple June 5, 1908, and served as Potentate in 1929.

"Artie" found great joy in his Shrine activities and directed the Medinah Chanters over a long period of years both before his year as Potentate and since that time to the day of his death.

Noble Jones is survived by his widow, Hazel Jones, and two daughters—"Dolly" and "Patsy."
